

# Ki-Energy Healing Workshop

by

**Master KATSUMI NIIKURA**

*Ki Master of the Year (1997) at 2nd World Congress on Qigong*

**Master Katsumi Niikura**, an internationally acclaimed martial artist and former world karate champion from Japan, has developed a method for strengthening one's internal energy (*Ki* or *Qi*) and transmitting it to restore health. You can learn how to help yourself and others by practicing his original techniques\*. **Master Niikura** will explain his method and demonstrate how to apply it during the workshop.

*(\*Individual Ki healing results may vary.)*

**Master Niikura** has practiced various martial arts and *Ki* for over five decades. When his beloved daughter suffered from a brain tumor in the 1970s, he realized that he could apply the power of *Ki* for healing. Today, the daughter is in good health, and his special control of *Ki* is being studied at several accredited medical institutions in the U.S.
